

ORAC is 50,000 per liter bottle. eXfuze is also a multi botanical with a full spectrum of nutrition. Our Seven+ product contains seven super fruits including Gac, Acai, Goji, Noni, Fucoidan, Mangosteen and Seabuckthorn. These are extracts, not concentrates. Seven+ also has Pomegranate, Aloe Vera, and Agave. There is no sugar added, no sodium or potassium benzoate as a preservative. Seven+ has a proprietary vegetable preservative, and best of all it is cold processed, to keep the highest amount of nutrition. Last, but not least, Seven+ contains structured water. With our organic, wild crafted product and structured water, the absorption of our product is incredible.
